Order

The State Board receives applications for consent/ authorization under provisions of various Environmental Acts/ Rules. Such applications are processed in accordance with prevailing checklist of documents issued by the State Board. It has been observed that several applications are kept pending for long in want of various documents such as Environmental Clearance and all other mandatory documents, whichever applicable.

The matter has been reviewed and it has now been decided that all consent applications under the Water (Prevention and Control of Pollution) Act, 1974 and/ or the Air (Prevention and Control of Pollution) Act, 1981 which are pending for more than 4 months for want of the required documents shall be refused.

All Group In-charges/ Regional Officers are directed to ensure compliance of the above and dispose all pending applications with immediate effect.
