F.14.(5-Adm)RSPCB/Project 2505-2511

Date: 21-11-23

Order

The State Board vide its office order dated 08.01.2020, had issued Mechanism of calculation, Imposition & Recovery of Environment Compensation from defaulter units. Vide the referred order, the State Board had clearly identified all cases to be considered for taking cognizance of non-compliance for levying Environmental Compensation on violators.

However, it has been observed by the State Board that compliance of the order dated 08.01.2020 is not being ensured even in case of major non-compliances including cases where the industry is operational without obtaining valid consent, is operational without adopting pollution control measures, OCEMS installation, inadequate data transmission (<85%) or data mis-handling, intentional discharge of effluent/ emissions including bypassing pollution control devices, has failed in achieving prescribed parameters for emission/ effluent etc.

In view of the above, all Group In-charges and Regional Officers of the State Board are directed to ensure compliance of Mechanism of Calculation, Imposition & Recovery of Environment Compensation from defaulter units as laid down by the State Board vide orders dated 08.01.2020 and 11.08.2023.

(Prema Lal)
Chief Environmental Engineer
