OFFICE ORDER

The Department of Environment, Government of Rajasthan vide notification dated 26.05.2016 has amended the Rajasthan Water (Prevention and Control of Pollution) Rules, 1975 and Rajasthan Air (Prevention and Control of Pollution) Rules, 1983. In the said notification White category have been inserted and the industries mentioned in white category are not required to obtain consent to establish and consent to operate under the provisions of aforementioned Acts & Rules. At S. No. 35 “Solar Power generation through Photovoltaic Cell and Wind Power” has also been exempted from obtaining consent to establish/operate under the said Acts and Rules.

Therefore, any industry (irrespective of category) which intends to install/establish solar photo-voltaic based solar power plants of any capacity within their existing premises for captive use are exempted from obtaining consent to establish/operate under the aforementioned Acts and Rules. However, the industry shall inform the State Board (format enclosed) before commissioning of the same and the increase in capital investment of the industry/plant due to establishment of the solar power plant will be included in the overall investment of the industry/plant & fees for consent to establish/operate will be levied as per existing category of the main plant.

This bears the approval of the competent authority.

Yours sincerely
