With respect to the above cited subject and reference, the matter was discussed in the 4.3rd meeting of the Authority held on 26.11.18. The tenure of the last SEIAA expired on 29.12.17 and the new committee has been reconstituted vide MoEF OM dated 12.09.18. ToR was issued to the project by SEAC on the basis of information contained in the documents submitted vide letter dated 12.6.15. The MoEF OM dated 29.08.2017 regarding validity of ToRs prescribes a time limit for the validity of ToR for a period of three years for submission of EIA and EMP reports after public consultation and also that this period would be extendable to fourth year, based on proper justifying and recommendation of the SEAC. The time limit of 3 yrs has been finished and the project Proponent has still not submitted EIA/EMP report nor has it requested for extension of ToR period and so as per the recommendation of SEAC, Rajasthan the Authority decided to **close and de-list** the project.
