Circular

CPCB vide directions dated 01.10.2025 and 09.10.2025 had directed State Boards regarding Installation and Connectivity of Online Continuous Emission Monitoring System (OCEMS) in air polluting industries operating in NCR-Delhi. In compliance of these directions, State Board has already issued directions to the concerned industries.

Further, the CPCB vide directions dated 09.10.2025, communicated that with a view to take measures relating to certification of instruments & equipment for monitoring air quality (emission), CSIR-NPL (Council of Scientific and Industrial Research- National Physical Laboratory), Delhi, has been designated as national verification agency and CSIR-NPL has launched OCEMS certification scheme and is in process of issuing OCEMS verification/conformity certificate.

Further, CPCB vide letter dated 26.11.2025 has requested the State Board to ensure installation of only CSIR- NPL certified OCEMS in the air polluting industries with reference to the aforesaid CPCB directions dated 01.10.2025 and 09.10.2025.

The CSIR-NPL has now certified 21 OCEMS models for various parameters. The list of NPL certified Models along with the details are available on CPCB website at weblink:
