## Office Order

All the Health Care Facilities were exempted from depositing back fee (gap period fee for operation without authorization/ consent) while seeking authorization under Bio- medical Waste Rules and consent to operate under the Water (Prevention and Control of Pollution) Act, 1974 and/ or Air (Prevention and Control of Pollution) Act, 1981 vide office order no. F-16 (Gen- 43) RPCB/ BMW/ 463-502 dated 01.11.2019. However, this exemption was applicable for the authorization/ consent applications received up to 31.03.2020.

The matter was reviewed. It has been observed that a large number of government and private Health Care Facilities have still not obtained authorization under Bio- medical Waste Rules and consent to operate under the Water (Prevention and Control of Pollution) Act, 1974 and/ or Air (Prevention and Control of Pollution) Act, 1981.

In view of above it has been decided that exemption from depositing back fee by the Health Care Facilities considered vide above referred office order dated 01.11.2019 shall continue to be applicable for the authorization/ consent applications received on or before 31.12.2020.

This bears approval of the competent authority.
