

EXPRESSION OF INTEREST

No.F(12)/PSC-18/RPCB 1364

Dated: 26/3/18

Subject: - Expression of Interest for engagement of consultant for preparation of Policy guidelines and Action plan for recycling and re-use of both city sewage and industrial waste water from industrial cluster /major water polluting units.

1. Objective:-

The State Board intends to engage an external expert agency for preparation of Policy guidelines and Action plan for recycling and re-use of both city sewage and industrial waste water from industrial cluster /major water polluting units.

2. Background :-

Rajasthan State has formulated a State Water Policy in the year 2010 and State Sewerage and Waste Water policy in 2016. State Pollution Control Board is monitoring water quality of 128 water bodies i.e. Rivers (15 stations) , Lakes (27 stations) and Wells (86 stations).

Issues of recycle and re use of domestic sewage have been covered in both the Policies. However industrial waste water has not been dealt with.

Industries in several cases are a major user and generator of large amount of waste water which are discharged after treatment into water bodies or on land.

It is therefore necessary to prepare an action plan for the management of domestic sewage and industrial waste waters generated in the State.

3. Consultant Responsibility

1. Review of State/ National policies related to water and waste water.
2. Preparation of policy guidelines for utilization of city sewage and industrial waste.
3. Preparation of Action Plan for the recycling and reuse of both city sewage and industrial waste water from industrial cluster/major water polluting units.
4. Role and contribution of various department / agencies in implementation of the action plan.
5. Funding Requirement for implementing the Action Plan.

6. Eligibility Criteria

- a) Reputed National Institute or University or Government agencies or Non Profit Organizations who have an experience of more than 20 years in the field of environment or Private Organization having turnover more than 5 crore in consecutive last 3 years.

- b) Having work experience in water resource management or waste water management or drafting of water policy/ waste water policy.

7. Documents to be submitted

- a) Incorporation Certificate for eligibility.
b) Details of Faculty/resource persons along with Bio Data and relevant experience.
c) Work Experience for similar work.
d) Turnover for last 3 years (in case of Pvt ltd corporation)
e) Experience certificate of 20 year working by NGOs
f) Concept Note covering broad idea or plan for preparation of the document.

8. Proposal Evaluation

- a) Any effort by the individual to influence RSPCB Official for proposal evaluation, proposal comparison or contract decisions may result in the rejection of the proposal.
b) The Competent Authority will evaluate the proposals on the basis of the eligibility criteria.
c) Participating consultant may be invited to give presentation on the eligibility criteria and work plan.
d) A proposal shall be rejected at this stage if it does not respond to important aspects of the Terms of Reference.

9. Period of Contract- 6 months

10. Submission Details

The proposal shall be submitted by 30/4/2018 at H.O., RSPCB to the below mentioned address:-
