

Revised checklist for submitting application for availing financial support under the guidelines

- The guidelines are applicable to Individual entities/entrepreneurs/companies, who set up new Units set up after release of guidelines.
- The proposed units should use only paddy straw generated in the NCT of Delhi, States of Punjab & Haryana, and NCR districts of Rajasthan & Uttar Pradesh. Other biomass use is permitted but only to an extent of 20% of total feedstock, in case needed.
- The following documents need to be submitted (through the portal) for availing financial support under the guidelines:
 - Duly filled application form (applicant particulars & technical and financial details about the proposed unit, including invoice/quotation for plant machinery)
 - Copy of the application submitted to SPCB/PCC for obtaining Consent to Establish
 - Land possession letter/lease agreement
 - Undertaking for not receiving cumulative financial support of over 60% of proposed pellet plant cost from other schemes, (In other words, 40% cost of total plant and machinery is required to be borne by the applicant).
