Office Order

In reference to the cases where **Bank Guarantees (B.G.)** are submitted by the units against installation of **Pollution Control Measures (PCMs)** prior to issuance of Consent to Operate (CTO), the matter regarding release of such Bank Guarantees has been examined.

It has been observed that in certain cases, although the PCM is reported to be installed and operational, the sample analysis/ monitoring reports initially do not conform to the prescribed environmental norms. Release of Bank Guarantee in such situations may dilute the objective of ensuring sustained compliance with the consent conditions and environmental standards.

Accordingly, it has been decided as a matter of policy that:

1. The Bank Guarantee submitted by the unit against installation of PCMs shall not be released merely on the basis of installation or commissioning of the system.
2. Release of Bank Guarantee shall be considered only after verification through sampling and analysis, and only when the parameters are found to be within the prescribed limits, as per applicable consent conditions and standards.
3. In cases where initial sample analysis reports/ monitoring reports indicate non-compliance, the Bank Guarantee shall be retained, and the unit shall be required to take corrective measures and submit to fresh sampling and analysis/ monitoring.
4. Recommendation for release of Bank Guarantee shall be made by the concerned Regional Office only after confirming sustained compliance through satisfactory analysis reports/ monitoring reports.
5. The Regional Officer shall also ensure timely verification of the specific condition of issued CTO stipulating forfeiture of Bank Guarantee in case of non-installation of PCMs within the stipulated time period, and shall forward verification report at the earliest.

This order shall be applicable to all similar cases with immediate effect and shall be followed uniformly by all concerned offices.

This issues with the approval of the competent authority.

(Kapil Chandrawal)
