Date: 23/05/2023

Office Order

In compliance of State Board's letter dated 05.05.2018 all the industries which are covered under Continuous Emission Monitoring System (CEMS) and Continuous Effluent Quality Monitoring System (CEQMS) have to install and connect PTZ Camera/s with State Board's portal to visualize the emission and effluent discharge point of the industry.

It is reiterated that *"In order to effectively monitor the units covered under Continuous Emission Monitoring System (CEMS) and Continuous Effluent Quality Monitoring System (CEQMS) must install and connect PTZ Camera/s with State Board's portal to visualize all the emission and effluent discharge point of the industry/ unit & to maintain the recoding of at least one month with remote access to the Board."*

All Regional Officers are directed to ensure compliance of the above directions and incorporate observations in inspection reports accordingly.
