Office Order

The State Board in collaboration with Centre for Science and Environment (CSE) is organizing “**Online training on basic learning of Online Continuous Emission and Effluent Monitoring System**” for all Board Officials at its Headquarter and Regional Offices from June 20th to 27th, 2023.

The training programme shall include sessions on:

- CEMS and CEQMS introduction
- Pollution monitoring regulations in India and developed countries
- PM CEMS- available technology options
- Correct selection of suitable technology
- Gaseous CEMS- available technology options
- Correct selection of suitable technology
- CEQMS available technologies and its assessment.

The sessions would be pre-recorded and conducted on Moodle Platform where participants will be provided with reading / audio-visual training material to self-study. The course material will be for the duration of 1-2 hrs/day. In addition to this, a live/online Q & A session with expert shall be carried out at the end of the training programme. Details of the sessions shall be sent to email ids of groups at Head Office and Regional Offices.

All Group In-charges and Regional Officers are hereby directed to ensure mandatory participation of all technical and scientific officials under their supervision in the above online training programme.
