Reg : Recovery targets for F.Y. 2018-19

The recovery targets for the Financial Year 2018-19 have been fixed at Rs.330.00 crore (including recovery target of Rs.3.80 crore relating to DDW cases). Branch-wise targets of recovery for Standard & NPA cases bifurcated into principal and interest segments are as per Annexure-A (overleaf).

It has also been decided that the total targets should be divided on monthly basis as under:

S.No.	Month	Target as %age of total per month
1.	April, May, July, August, October, November, January & February	5%
2.	June, September, December and March	15%

All the Branch Managers are advised to make vigorous efforts to achieve the targets in full and should ensure that the same are exceeded particularly in the interest segment. It should be the endeavour to recover maximum amount from NPA accounts, so that NPAs of the Corporation are reduced.

Each branch Office is required to close at least accounts of 5 units under Loss category by way of recovery in the financial year 2018-19. It should be ensured that recovery in Standard accounts is realized strictly on due dates and there is no slippage in Standard accounts.

All concerned are advised to act accordingly.
