General conditions / guidelines to be followed while taking up cases under One Time Settlement Scheme, 2019-20

The General conditions / guidelines to be followed while taking up cases under any of the "One Time Settlement" scheme and other salient features are as follows:

1. The cases belonging to SC/ ST / disabled persons / ex- serviceman / BPL Card holders will be exempted for paying registration fee. Such cases will be registered only by getting the requisite up-front payment prescribed under the Scheme, under which they are eligible.
2. In cases where other money is more than the principal sum, then other money to be taken shall be restricted to the principal sum outstanding.
3. Effect of settlement will be given only after receipt of full settlement amount.
4. Cases where action under Section 31/32(G) of SFCs Act has been initiated and the party registers its case under OTS, then the concerned Branch Manager shall request the revenue authorities for keeping the action in abeyance till realization of settlement amount.

In case the party commits default in paying the settlement amount then the revenue authorities are to be requested to re-initiate the action from the stage it was kept in abeyance.

In the cases already settled (in any scheme), if party is not paying and also not showing interest to register in New Scheme, then the Branch Manager has to initiate legal action as per norms.

5. Legal notices issued u/s 30 / 29 of SFCs Act prior to registration of the case shall be kept in abeyance till such time as the party commits default in making payment of settlement amount.
6. The amount deposited by the party after the decision to write-off / write-back shall be adjusted against the written off amount.

For the purpose of calculating settlement amount, the written-off amount less amount deposited after writing off, shall be the principal sum.

7. Accounts already closed shall not be re-opened under any circumstances.

8. Cases financed under agency loan scheme against Government guarantee may be settled as per provisions of the settlement schemes. If such cases are settled in any Branch Office, the details of such cases, shall be sent to the Head Office (in the format contained in circular No.FR-649 dated 24.01.2011) so that claims with the Government could be lodged.
9. The benefit of OTS shall not be extended to the cases of wilful default, fraud of malfeasance committed by unscrupulous borrowers / guarantors etc. and where criminal cases are pending (except cases wherein complaints have been lodged u/s 138(b) of the Negotiable Instruments Act). However:
 - a) If OTS is found a better exit route of recovery, such cases may be processed with due care and be referred to HO for permission, for considering under the OTS scheme.
 - b) One time Settlement of such loan accounts will be without prejudice to any action / outcome of any criminal case(s) initiated / to be initiated by the Corporation / other Law enforcing Agencies.
 - c) The borrowers of such cases shall not be absolved from any action and his / her their liability on account of wilful default / fraud, / malfeasance committed with any other Financial Institution / Agencies.
10. Subsidy / Interest Free loan (IFL), if any, shall be recovered separately as per norms. Settlement will be subject to payment of settlement amount along with the entire outstanding dues of all ineligible loans pertaining to that particular loanee concern.
11. In the cases of loan accounts of purchasers of units sold by the Corporation u/s 29 of SFCs Act, the date of agreement to sale shall be considered as date of sanction for ascertaining the category under the scheme.
12. In "mutual consent sale cases", the sanctioned date and amount will be that date/ amount which has been sanctioned to the original / first loanee pertaining to the accounts settlement of which is eligible and considered under the scheme.
13. While arriving at the settlement amount in deficit cases, the amount debited in the loan account against Government Department dues will be treated / considered as part of other money and not part of principal sum, so that the share of Government Department dues can be recovered in full at the time of settlement of loan account (Policy decision conveyed vide letter No. FR-668 dated 03.10.2011 will be applicable in letter and spirit). However, if any amount, (out of 30% of sale price) is still lying in the Government Department liabilities Head, GL Code 3440, such amount may be transferred in the account as per HO guidelines immediately before settlement of the account except court stay for making such payment.

15. Cases under litigation / pending with BIFR / AAIFR / OL will be settled when loanee concern withdraws the case filed by it and commits to this effect in writing.
16. All live accounts are clubbed up for ascertaining eligibility for settlement amount in case of multiple accounts. The eligible amount would be worked out on the basis of latest sanctioned date.
17. Joint finance cases (except deficit cases), BIFR cases, AAIFR cases, OL cases, cases where the winding-up proceedings have been passed and where BIFR / AAIFR has recommended / taken a view for winding up such cases, if otherwise eligible, shall be referred to HO for placing the same before the SLC for taking decision for settlement.

In such cases, highest bid / sale consideration or the calculated settlement amount whichever is higher shall be the settlement amount in case of non-materialization of sale / auction for whatever reasons.
19. In cases of units under possession, outstanding is to be calculated considering the interest for the possession period as per norms of the Corporation prescribed for handing over back the possession of the unit to the original promoter for the settlement purpose.
20. In the deficit cases having collateral security, outstanding is to be calculated considering the interest on deficit amount chargeable as per norms, from the date of sale for the settlement purpose.
21. For settlement of decreetal cases, the Branch Manager / Branch Incharge will either certify that all efforts for execution of decree have been made but no fruitful result has come out OR to record reasons of not affecting recovery through execution of decree and specify clearly as to how settlement is in the interest of the Corporation.
