Reg : Deferment of Possession

Looking to prevailing impact of COVID-19 pandemic on economy, the State Govt. has taken various measures to bring back economy on the track. The State Govt. has also introduced various Amnesty Schemes to revive the industrial units across the State.

In line with the efforts made by the State Govt., as a general amnesty relaxation, the Corporation has also decided not to take possession of the units till 30th June, 2021 to give relief to the defaulting units in this difficult situation.

However, other efforts for recovery of Corporation dues should be taken by all the concerned as per norms so as to achieve the targets.
