**Reg : Rehabilitation Scheme**

The Rehabilitation Scheme of the Corporation (Chapter RH-1 of Procedure & Guidelines) was reviewed because it is quite old and no case under this scheme has been considered by the Corporation since last more than 20 years. After examination the matter was placed before the Board of Directors of the Corporation in its meeting held on 09.07.2021. After discussions, the Board approved proposal for withdrawal of the existing Rehabilitation Scheme of the Corporation.

All concerned are advised to take a note of the above.
