Ref. No. RFC/23FR/HO/Policy- 24/3134 Dated : 24/12/05

CIRCULAR
(FR No. 372)

**Sub: For extending services to other Branch
Offices**

It has been gathered that the Branch Offices do not entertain the work related to other branches like identification of properties of the borrowers and computation of MRV in the area of their jurisdiction. This affects adversely the functioning of Corporation. The Corporation as a whole is an integrated organization and hence the work may not be allowed to suffer because of reluctance on the part of the branches to deal with the work of other branches.

It is, therefore, directed that field offices henceforth would pay their attention also towards the work of other branches being referred to them.

All concerned are advised to take a note of above and act accordingly.
