(FR No. 512)

Reg: Targets for recovery : Financial Year 2008-09

The recovery targets for the financial year 2008-09 have been kept at Rs. 564.75 crore (including recovery targets of Rs. 111.41 crore relating to Deficit, Decreetal and Write off cases) without considering the pre-payment receipts. Branch-wise targets for the Standard assets and NPAs (excluding Deficit/Decreetal/Written off cases) have been bifurcated into principal and interest segments. Out of total recovery targets, NPA recovery targets of Rs. 43.28 crore of principal and Rs. 134.98 crore of interest have been fixed. The Branches may further re-allocate the recovery targets to Sub-Offices under their jurisdiction. The details showing branch-wise targets are indicated overleaf.

It is further clarified that each Branch is to ensure 40% realization of allocated targets in the first quarter, 40% in the second quarter and remaining targets are to be achieved in full by the end of third quarter. The recoveries related to standard accounts will be realized on due dates. Any shortfall in the overall targets are to be achieved in the last quarter. The performance of the Branch shall be reviewed quarterly on the above basis.

The targets of interest recovery shall be the net cash recoverable amount without adjustment of rebate. Endeavour of the Corporation should be to recover maximum amount from NPA accounts. There should be no slippage in standard assets and cases sanctioned after 31.03.2000.
