CIRCULAR (FR-DDW No. 524)

Sub: Recovery in Decreeal cases

During the course of review meeting taken on 20.5.08, to review the performance of the DDW Cell, it has been observed that decreeal cases in which chances of recovery of decreeal amount are remote even as per the provisions of the scheme, then such cases would be reviewed individually and DGM (DDW) would submit the details to the GM(D).

In the light of above, it is advised to all the Branch Managers to analyse such cases where after putting in all out efforts for recovery, the chances of recovery appear to be quite remote even as per the provisions of the scheme. Accordingly complete details of such cases may be sent to the DGM (DDW) invariably upto 31.5.2008.

All concerned are advised to initiate action in this regard immediately.

(B.N.Sharma)
Chairman & Managing Director
