Reg : Review of progress under various Settlement Schemes

The progress made under various OTS Schemes has been reviewed in the BMs Conference held on 10.11.08 in which the CMD shown his displeasure on the progress made so far. Further, during review of each individual BO it has been observed that the BOs have not yet contacted each and every eligible case which is the main reason for such a dismal performance.

It has, therefore, been decided that all the BMs should ensure that each and every eligible case under the OTS Schemes is contacted and they will submit a certificate by 31.12.08 that they have contacted each and every case and have made the eligible parties aware about the OTS Schemes. The BMs should ensure that 100% of the cases eligible under the Small Loan Settlement Scheme are registered.

All concerned are advised to make a note of above and ensure compliance.
