Dated 22.12.2011

CIRCULAR (FR - <u>676</u>)

Sub: Sector-wise outstanding data for effective monitoring of Industry Exposures

The SIDBI in its performance evolution report of the Corporation has suggested that the corporation may maintain sector-wise outstanding data for effective monitoring of Industry Exposures and should also formulate a separate risk management policy to fix the Industry-wise exposures norms with the approval of the Board of Directors.

To implement the above suggestion and to formulate a risk management policy, it has been decided to maintain sector-wise outstanding data for the cases sanctioned upto 31.03.2000 and after 31.03.2000 seperately. Accordingly all BOs / SOs are advised to send sector-wise (type of industry) position of the live accounts as on 15.12.2011 in the enclosed formats 'A' & 'B' to the concerned DGM (Operations) on email / CD as well as in hard copy for compilation at the earliest but not later then 31.12.2011. The DGM (Operations) concerned will send the compiled position of the branches falling under his jurisdiction to the DGM (RRMD) by 07.01.2012.

All concerned are advised to take necessary action accordingly.
