CIRCULAR

As per circular dated 22.9.2000, guidelines were issued regarding publication of NITs. As per these guidelines, it was desired that, the NIT should be published in the minimum space as was being done when these were published from Head Office.

It has been observed that, NITs published by the Regional Offices are being published in the much larger sizes which is in contravention to the spirit of the above circular.

All DGM(R) may kindly ensure that, the guidelines of above circular are strictly adhered to and any advertisement published beyond the prescribed norms will be the personal liability of the concerned DGM(R).

Kindly ensure strict compliance in this regard.

 19.10.
