OFFICE ORDER

Under the Single Window System Portal of Govt. of Rajasthan, one of the online services related to release of new water connection (industrial and commercial) for the water supply developed and maintained by Corporation has been operationalized. This is in continuation to the implementation of Rajasthan Enterprises Single Window Enabling and Clearance Act, 2011 (Single Window Act) and Rajasthan Enterprises Single Window Enabling and Clearance (Amendment) Rules, 2016. All Unit Heads are enjoined upon to accept the online new water connection application through website "www.swcs.rajasthan.gov.in" and dispose the same application within the time line prescribed.

This bears approval of Managing Director.
