

The land of opportunities awaits you....

**LAUNCH OF
INDIA'S FIRST
ORGANISED
CERAMICS &
GLASS INDUSTRIAL
ZONE**

**Investors' Meet and Business to Government (B2G)
Interaction on Ceramics, Glass & Allied Areas
(A Resurgent Rajasthan Initiative)
Tuesday, 9 December 2014, Jaipur, Rajasthan**

The Indian Ceramic and Glass industry is poised for next level of growth in view of changing economic scenario, increasing urbanisation and thrust of new Union and State Government on development of infrastructure, smart cities, sanitation, etc. Rajasthan is already home on major brands in the sector and leader in raw material and tableware production.

In sync with the Make in India campaign by the Hon'ble Prime Minister of India and Resurgent Rajasthan campaign by Hon'ble Chief Minister of Rajasthan, RIICO has developed an exclusive Ceramics and Glass Zone at Ghiloth. A ceramic cluster in Bhilwara has also been developed.

Against this backdrop, **Rajasthan State Industrial Development & Investment Corporation Ltd (RIICO), in association with Federation of Indian Chambers of Commerce & Industry (FICCI), is organising an Investors' Meet and Business to Government Interaction on Tuesday, 9 December 2014 at SMS Convention Centre, Sawai Ram Singh Road, Jaipur.**

Programme Highlights

The programme would feature discussions on investment opportunities in ceramics, glass and allied areas, related policies and enabling infrastructure. There would be focussed Business to Government (B2G) Meetings that would serve as an ideal platform for dissemination of information and handholding to prospective investors.

Launch of Ghiloth Ceramic & Glass Industrial Zone

- Exclusive Ceramic & Glass Zone at Ghiloth near Neemrana
- Around 750 acres of specially developed zone with plot sizes appropriate for ceramic & glass production lines
- Proximity to National Capital Region, the biggest consumer for ceramic products in India
- Just 7 kms from the National Highway 8 connecting Delhi to Mumbai
- Ample availability of raw material in Rajasthan

Business Meet

- Interaction with top Government officials on policy issues, raw materials, gas availability and the new Ceramics & Glass Zone at Ghiloth
- Addresses by Industry Stalwarts

Why Rajasthan

Rajasthan is endowed with rich mineral reserves vital to ceramics and glass sector like clay, silica sand, feldspar, gypsum, limestone, wollastonite and dolomite which are found in various districts of the state. Currently around 500 units covering the entire spectrum of the value chain, from raw material mining for the ceramic & glass industry to finished products, are operating successfully in Rajasthan.

- Proximity to North Indian marketing hubs and consumer markets
- Many industrial areas and zones of Rajasthan fall in the National Capital Region (NCR)
- Delhi-Mumbai Industrial Corridor (DMIC) to provide excellent logistic & transportation infrastructure in the state
- Home to leaders in ceramics & glass
- Leading producer of clay with 40% contribution to India's total production
- Accounts for around 70% of India's bone china tableware production and has a substantial share in ceramic insulator
- Easy availability of power
- Availability of major raw materials and intermediate products for the ceramic & glass industry
- Natural Gas through Gas Authority of India (GAIL) network

Organiser

Rajasthan State Industrial Development & Investment Corporation Ltd (RIICO)

A Government Company wholly owned by Government of Rajasthan - RIICO, is the apex organization for fostering growth of industrialization in the State. From developing industrial land and making it available to the investors, to understanding the industry-specific infrastructural needs of every company, it plays the role of an industry support system for Industries locating in Rajasthan. With 26 regional offices all over Rajasthan, RIICO administers the development of land-related infrastructure for industrialization and continues with its mandate of acquiring and developing more land. RIICO is also the Nodal Agency of the State to promote and develop Special Economic Zones (SEZ) Sector in the State. RIICO also provides financial assistance to industries.

Co-organiser

Federation of Indian Chambers of Commerce & Industry (FICCI)

Established in 1927, FICCI is the largest and oldest apex business organisation in India. Its history is closely interwoven with India's struggle for independence, its industrialization, and its emergence as one of the most rapidly growing global economies. FICCI has contributed to this historical process by encouraging debate, articulating the private sector's views and influencing policy.

A non-government, not-for-profit organisation, FICCI is the voice of India's business and industry. FICCI draws its membership from the corporate sector, both private and public, including SMEs and MNCs; FICCI enjoys an indirect membership of over 2,50,000 companies from various regional chambers of commerce.
